

**Hello to all of our customers and future customers!**

**We are now closed for the season, and will be returning again in the Spring, first with cooking classes, and maybe special events.**

**This is the page where new things will be posted for all of our future plans.**

**Thanks to all of you, and we look forward to seeing you again, or for the first time!**

**Our CAMPGROUND is still open to RV campers for a few more weeks. Call us at 573-244-5821 for any information.**

**Thank you so much! Greg and Chris**
